

GLOUCESTER
ACADEMY

2 December 2020

Dear Parent/Carer

As Gloucester moves into tier 2 we just wanted to remind parents that the following still remains in place.

Please do not send your child to school if they or any member of the household has:

- Developed a new continuous cough
- A high temperature
- A loss of/change in normal sense of taste or smell

If your child does develop any of these symptoms whilst in school, we will isolate them in our quarantine area, for them to be collected by yourselves.

If showing symptoms, from the 1st day of symptoms:

- Isolate for 10 days
- Arrange a test ASAP
- Those within the household must also isolate for 14 days from when the first person showed Symptoms

Isolation can only end:

- After a negative test - please provide evidence prior to attending school
- After 10 days of isolation from 1st day of showing symptoms
- After 14 days of someone with the household showing symptoms

If in any doubt please do not hesitate to contact us.

Yours sincerely

Mr J Heap
Headteacher

Mr Jonathan Heap, Headteacher
