

GLOUCESTER
ACADEMY

11 December 2020

Dear Parent/Carer

Thank you again for all of your support this academic year. As we look to celebrating the holidays with family. We would like to celebrate with the Gloucester Academy family, which you are all part of along with your children.

To celebrate this, we are offering all students an opportunity to pre-purchase a Christmas dinner, in future more normal years we would extend this meal to parents and carers.

The menu for this year's Christmas Dinner is:

- Traditional turkey, roast potatoes, stuffing, vegetables and gravy
- Chocolate Yule Log
- Halal and vegetarian option available

The cost of the meal deal is just £2.50 and you can pre-pay for your child's Christmas meal via parent pay.

Your child will also have the option to purchase a Christmas dinner on the day, if they choose to, but we cannot guarantee there will be sufficient supply if not pre-ordered. Please be assured the normal daily menu will be running.

Each year group will be able to enjoy traditional Christmas carols in the heart space along to accompany their dinner, whilst wearing their well-deserved paper crowns.

We have experienced some interesting challenges, but we feel it is important to keep some traditions in place to give everyone a sense of normality. We wish you and your family a very merry Christmas and a happy new year.

Yours faithfully

Mrs P Lewis
Senior Deputy Headteacher

Mr Jonathan Heap, Headteacher
