Opportunity	Schneider Electric Apprenticeship Programme
Year group/s	11
Date	N/A

## Overview

The poster features a green header with the Schneider Electric logo and the tagline 'Life Is On'. Below the header, there are two images: a young woman balancing books on her head and two young men, one wearing glasses and a scarf. The main title 'Schneider Electric APPRENTICESHIP PROGRAMME' is in large green letters. Below this, the text asks 'Do you want to join an AWARD-WINNING Apprenticeship Programme?'. A paragraph describes the program as a part-time study and work experience opportunity. At the bottom, three types of apprenticeships are listed: Advanced, Higher, and Degree, each with a corresponding number and image. The footer includes the hashtag #SEGREATPEOPLE and a paragraph about Schneider's purpose and mission.

# Schneider Electric APPRENTICESHIP PROGRAMME

Do you want to join an **AWARD-WINNING** Apprenticeship Programme?

Are you ready to obtain a qualification whilst gaining on the job training and earning a salary? Join our Schneider Electric Apprenticeship and be part of a programme in which you'll get to study towards and achieve the relevant qualifications over a part-time programme whilst learning on the job. You will embark on a series of placements working alongside our expert teams, while making a real contribution to an advanced engineering and technology global organisation. In detail, we provide full training which includes an induction and a personal development programme. Our programme offers both technical and non-technical pathways.

**We offer the following types of APPRENTICESHIPS:**

- 1 ADVANCED APPRENTICESHIP**  
Level 3 Extended Diploma Qualification. Candidates will need 5 GCSE's Grade 4/C or above, including Math's, English and Science.
- 2 HIGHER APPRENTICESHIP**  
Level 4/5 Higher Qualification - HNC/HND- Candidates will need 2 A-levels Grade C and above or equivalent.
- 3 DEGREE APPRENTICESHIP**  
Level 6 Degree Qualification. Candidates will need 3 A-levels Grade C and above or equivalent.

**BE PART OF OUR #SEGREATPEOPLE**

Schneider's purpose is to empower all to make the most of our energy and resources, bridging progress and sustainability for all. We call this Life Is On. Our mission is to be your digital partner for Sustainability and Efficiency. We are the most local of global companies. We are advocates of open standards and partnership ecosystems that are passionate about our shared Meaningful Purpose, Inclusive and Empowered values.
