Monday 13th July 2020

Dear Parents and Carers

Full Re-opening in September 2020

As we come to the end of a very different type of academic year, I wanted to write to you to clarify our plans for a full reopening in September 2020. Also to thank you for your incredible support whilst overseeing your child's engagement in our detailed and challenging online curriculum provision.

Like us, I am sure you are also desperate to have students back in school, whilst also being confident that everything reasonable is happening to make this safe.

We have planned to give two short, live, online presentations regarding the re-opening:

Date	Day	Time	Link
16 July	Thursday	11.00am	HERE
and the same presentation repeated at			
16 July	Thursday	6.00pm	HERE

These links are also on the school website calendar [HERE](#), or www.gloucesteracademy.co.uk following the news and calendar link. A copy of the presentation and plans will then be published on the school website post the presentations.

Details within the presentation will include:

- the start and end of the day
- what a school day will look like
- procedures that must be followed by all persons on site
- location of year group 'bubbles'
- allocated days for PE
- catering facilities
- clarification of any pre-emailed questions

Please email cgasher@gloucesteracademy.co.uk if you have any questions you would like answered during the presentation and subsequent published plans.

As ever, please stay safe and within guidelines.

Yours faithfully

Mr J Heap
