Staffing Update for September 2020

Dear Parents and Carers

It is the time of year where schools inevitably, and sadly, say goodbye to colleagues who are moving on. It is also the time when we happily welcome new staff starting with us in September.

Gloucester Academy seeks to recruit staff members who have excellent subject knowledge, a strong academic background, and who are enthusiastic about sharing the habits that made them successful. All of this supports our mission that all students can climb their own personal mountain to the very best university or profession.

We are sadly saying goodbye, at the end of this academic year, to the following members of staff, and we wish them all the very best, thank them for all their contributions at Gloucester Academy, we look forward to keeping in touch:

Mr Patient, who is moving to a school in the Middle East.

Mr Bannister, who is relocating to Hertfordshire.

Also, Mr Steward, who has decided to leave Gloucester Academy in order to explore a long-held passion to work with younger students in a primary school setting.

We are excited to be welcoming the following members of staff from September, meaning that we are fully staffed in all subjects with subject specialists:

Mrs Lewis, who is joining us from a Greenshaw Learning Trust Academy, Yate. With a strong track record of school improvement with a particular foci of raising standards, curriculum and Teaching & Learning.

Mr J Watson, joining us from a very high achieving Harris Academy in south London. Currently a Director of Maths. Mr Watson will be overseeing our whole academy raising Achievement programme.

Mr E Watson, is coming to us from a successful Academy in Bristol, where he is also the Director of Maths. Mr Watson will be leading on curriculum, teaching and learning, amongst other things.

We are also pleased to announce we have the following class teachers joining us.

Ms J Suaju, Teacher of English, Mr Hills, Teacher of Maths, Ms Wheatstone, Teacher of Science and Ms Blick, Teacher of Geography.

We are looking forward to a very exciting year, with a focus on raising standards and expectations in all areas of everything we do.

Yours faithfully

Mr J Heap
Headteacher

Mr Jonathan Heap, Headteacher
