Re: Unit 3 Enrichment

Dear GA Families

We are pleased to offer a wide range of Enrichment activities in Unit 3. In addition to fantastic opportunities pupils have on offer during our weekly 'Period 6 Elite Hour' which involve competitive sports opportunities, additional sporting activities such as trampolining, golf or GloSports, Music, Drama and Roma Dance. We believe that our extra-curricular provision allows our students to develop new skills, try something different and meet new friends. Please see the Unit 2 timetable at the end of this email.

We are also delighted to offer your children a wide range of additional opportunities such as Bronze and Silver Duke of Edinburgh, alongside the Ten Tors Challenge in Year 9 and Year 10. Alongside, a wide range of trips, visits and events to help your children try something new and develop their characters.

You will be able to sign your child up for enrichment activities from Tuesday 9th April on Bromcom, under the 'clubs' section following our enrichment fair on 8th April 2024. Alternatively your child can sign up for enrichment by collecting a paper permission slip during enrichment fayre, or at student reception at any stage throughout Unit 3.

Regardless of how your child signs up to enrichment, Bromcom will inform you of the start and end date of each enrichment activity, and will allow you to track your child's attendance at the enrichment each week.

We are delighted to provide a broad array of enrichment activities to enrich your child's time at school, and give them the opportunity to develop their skills and passions. Nevertheless, if your child's interests are not represented in our current provision, your child can always set up their own enrichment society and can contact me about this.

Your sincerely

L Blick
