Live Stream of Ethos and Curriculum Presentation 15th and 17th September 2020

Dear Parent/Carer

As part of our ongoing improvements we would like to share some of the changes with yourselves, whilst highlighting how we can work together to support your child to climb their own personal mountain to the best university or profession.

We have increased expectations in terms of working hard, believing that hard work pays off. We have clarified our expectations for perfect behaviour, attitude and homework. The school, and classrooms, are now calm and purposeful learning environments for your child. One which I am sure you would support and welcome.

To give you a full flavour of what you can expect for your child, and what they now experience, we have organised some short live presentations that cover the key aspects of our approach and philosophy.

These will be held live and you will be able to access and watch through a link on your tablet, laptop, mobile phone, or PC etc

The dates, days and times of have been previously published on the academy website calendar, but for confirmation they are:

Year 7	Tuesday	15th September 2020	6.00pm
Year 8 and 9	Tuesday	15th September 2020	6.45pm
Year 11	Thursday	17th September 2020	6.00pm

We will send the link for the live event early next week, and we very much look forward to 'meeting' with you next week.

Yours faithfully
