

Enrichment	Description	Year	Day
Sport and Physical Activities	<p>Sport and Physical Activity School Enrichment Programs encourage students to lead active, healthy, and confident lives while building resilience, teamwork, and positive social relationships. Through accessible activities such as team games, fitness sessions, and outdoor challenges, pupils develop physical skills, improve wellbeing, and learn to set goals and manage both success and setbacks. These opportunities help students discover new interests, strengthen their sense of belonging, and grow into young people who value staying active and taking ownership of their personal development.</p>		
	<p>Character Values Developed Through Sport & Physical Activity: Resilience, Teamwork, Leadership, Respect, Integrity, Confidence, Self-discipline, Empathy, Responsibility, Determination, Courage.</p>		
Girls Rounders Academy	<p>Rounders Academy, as part of our Sport and Physical Activity School Enrichment Programme, encourages students to lead active, healthy, and confident lives while building resilience, teamwork, and positive relationships. Members of the Academy represent the school in after-school matches against other schools in Gloucester and compete in district tournaments, strengthening their sense of belonging and pride while discovering a lifelong enjoyment of staying active.</p>	Y7 Y8 Y9 Y10	Monday-Thursday
Boys Cricket Academy	<p>Cricket Academy, as part of our Sport and Physical Activity School Enrichment Programme, encourages students to lead active, healthy, and confident lives while building resilience, teamwork, and positive relationships.</p> <p>Members of the cricket academy will represent the school in after-school fixtures against other schools in the area and potential tournaments that may be organised. They will also further develop their understanding of cricket and strengthen all skills needed to participate for a long period of time.</p>	Y7 Y8 Y9 Y10	Monday-Thursday
Basketball Club	<p>The Basketball Club is open to students who want to have fun, stay active, and enjoy playing basketball in a friendly, supportive environment. Whether you're completely new to the game or already have some experience, our sessions focus on developing basic skills, teamwork, and confidence on the</p>	Y7 Y8	Monday-Thursday

	<p>court.</p> <p>Although the club is currently recreational, we have exciting plans to grow and develop it into a full Basketball Academy in the future. This means there will be opportunities for players to improve their skills, take part in more structured training, and eventually compete in fixtures and tournaments.</p> <p>We welcome all students who show enthusiasm, commitment, and a willingness to improve. Regular attendance, effort, and a positive attitude in PE lessons will be key to being involved as the club evolves.</p> <p>Join the Basketball Club now to learn new skills, enjoy the game, and be part of a team that is aiming high for the future!</p>	Y9 Y10	
Ultimate Frisbee Golf Club	<p>The Ultimate Frisbee Golf Club is open to all students who want to have fun, stay active, and experience one of the fastest-growing team sports in the world. Whether you've never picked up a disc or you're already hitting your targets, our sessions focus on developing core throwing skills, athletic movement, and confidence on the field. This opportunity will engage pupils alike to enjoy a team game sport, as well as ultimate frisbee competition - Ultimate frisbee golf! We welcome all students who show enthusiasm, commitment, and a strong "Spirit of the Game." Because Ultimate is a self-refereed sport, effort, and a respectful, positive attitude in PE lessons will be key to being involved as the club evolves.</p>	Y7 Y8 Y9 Y10	Monday- Thursday
Gym Club	<p>The Gym Club is a space for students to build strength, improve muscular endurance, and develop full-body fitness through practical, real-life movement. Using a mix of bodyweight exercises, light equipment, and dynamic circuits, students will train to become stronger, more coordinated, and more confident. Workouts are adjustable for all fitness levels, creating a supportive environment where everyone can make progress and enjoy getting fit. Join us to challenge yourself, stay active, and have fun while improving your overall health.</p>	9 10	Wednesday- Thursday
Rounders Club	<p>The Rounders Club is open to students who want to play rounders for fun. This club is purely about enjoying the game – no pressure, no trials, just the chance to turn up and play. Sessions are focused on playing matches, developing teamwork, and having a great time outdoors. Everyone is welcome, regardless of experience or ability. Join the Rounders Club to have fun, stay active, and be part of a friendly team that loves playing together!</p>	Y7 Y8 Y9 Y10	Monday- Thursday

Cricket Club	The Cricket Club is open to students who want to play cricket for fun. This club is all about enjoying the game in a relaxed and supportive environment – no pressure, no trials, just the opportunity to come along and play. Sessions focus on match play, skill development through games, and teamwork. Everyone is welcome, no matter your experience or ability. Join the Cricket Club to have fun, stay active, and be part of a welcoming group that enjoys the spirit of cricket!	Y7 Y8 Y9 Y10	Monday- Thursday
Golf Club	The Golf Enrichment Club at Gloucester Academy is the perfect place to learn new skills, make friends, and enjoy the game of golf in a fun and relaxed environment. Whether you're a complete beginner or already love the sport, our sessions are designed to help you build confidence, improve your swing, and challenge yourself with exciting mini-games and competitions. With expert guidance, teamwork challenges, and plenty of chances to develop your technique, members get to experience golf in an engaging and supportive setting. It's not just about hitting the ball — it's about focus, strategy, and having a great time while building confidence. Join the club, take your shot, and discover how exciting golf can be!	Y10	Thursday
Athletics Club	The Athletics Club is open to students of all skill levels, the club provides opportunities to train, compete, and improve in a variety of track and field events. Whether preparing for competitions or simply staying active, the Athletics Club offers a supportive environment where students can challenge themselves, set goals, and celebrate achievements together.	All Years	Thursday
Cheerleading Club	Cheerleading Club 's Main focus will be Pom. 'Pom' in cheerleading is also one of the main features in cheerleading other than 'Stunt' and a great way to learn how to cheer and support the school. Working together as a team and understanding the rhythm and direction of a routine, each member of the team is of value to the club and supports one another through the dances which are performed. Students will not only learn teamwork and communication, but they will learn and perform; time management, sense of direction, independence, and efficiency to the club and the school. We welcome all students who have had cheer experience and those who have not had any cheer experience at all!	Y7	Monday
Darts Club	Learn how to count, checkout and hit that big 180. The goal with this club is to work on stance, throw, scoring and those pesky doubles. If you like throwing arrows this is the club for you. Also, we will learn how to count. How it will work is: on a Thursday morning if you are wanting to bring your own darts in	9	Thursday

	(they are brought in at your own risk) you place them in the box at line up and Mr McCarthy will store them until the enrichment starts then you can take them home.		
Civic Engagement	Civic Engagement School Enrichment Programs empower students to become active participants in their communities, fostering essential skills such as critical thinking, leadership, and collaboration. Through hands-on activities like recycling drives, food banks, and community clean-ups, students not only address pressing public issues but also cultivate a strong sense of social responsibility. These programs provide valuable civic education, teaching students about political processes and the importance of community service. By encouraging student-led initiatives and environmental projects, participants learn that their actions can create meaningful change, instilling a sense of autonomy and commitment to the well-being of others.		
	Character Values Developed Through Sport & Physical Activity: Compassion, Empathy, Civic Engagement, Volunteering, Community Service, Advocacy, Environmental Stewardship, Social Responsibility, Collaboration, Leadership, Altruism, Inclusivity.		
Student Leadership Club	Student leadership is the heartbeat of a thriving school culture. It shifts the dynamic from students simply "attending" school to students truly owning their environment . At our school, we believe our Year 11 leaders are the primary architects of this change. As the most senior members of our student body, Year 11 Student Leaders are given a seat at the table to develop high-level soft skills, empathy, negotiation, and strategic thinking . This is a formal responsibility to lead by example, ensuring our school site and environment is left for future students to thrive in!	All Years	
Debate Club	Joining the debate club isn't just about winning arguments; it's about finding your voice and sharpening your mind in a way that regular classes rarely offer. In a world where being able to think on your feet is a superpower, debate teaches you how to deconstruct complex issues, spot logical fallacies, and build a persuasive case—even for a side you don't personally agree with. Beyond the academic edge, it's a fantastic way to boost your public speaking confidence and meet a community of peers who value quick wit and big ideas. Whether you're interested in law, science, or just want to stop being nervous during class presentations, debate provides the ultimate toolkit for navigating the modern world. If we get enough people joining, we might even enter a debate competition against a different school!	All Years	Monday

<p>Diversity ITY Club</p>	<p>The Divers ITY Talent Group is a technology organisation based in Swindon, Wiltshire, that gives schools the opportunity to tackle community issues through the use of technology. The group at Gloucester Academy was established around three years ago and was initially led by Mrs Blick Melart, followed by Ms Jess Collins in the second year. I took over at the end of that year. My name is Mrs Larder, and I supported last year's group, who called themselves "The Night Sparks."</p> <p>Their chosen challenge focused on homelessness in Gloucestershire. The group competed against other participating schools and won the overall competition, earning £500 for the school.</p> <p>The group consists of students from all year groups, who meet once a week after school on Thursdays from 3pm to 4pm. Each session is supported by a representative from the Divers ITY Talent Group, who helps guide the students through the decision-making process. By the end of the challenge, students understand the full journey of their project and work hard to reach the finals, held annually in Swindon at the Diversity Talent Group premises in partnership with Nationwide Building Society.</p> <p>Throughout the year, students take part in a range of outings and meet a variety of inspiring people. They develop valuable skills in communication, teamwork, and understanding different perspectives. They also learn to respect group decisions and recognise that choices are made collectively rather than individually.</p> <p>The group can accommodate up to ten students, who must be willing to commit to the enrichment programme for the full school year. This introduces them to the importance of dedication and follow-through.</p>	<p>8,9+10</p>	<p>Thursday</p>
<p>Words that Burn Club</p>	<p>Words That Burn challenges you to explore and take action for human rights through poetry. Within this club we will explore difference makers from all walks of life who have used the written word to platform the things they care about most. We will explore the Universal Declaration of Human Rights and uncover which aspect you have the burning desire to fight for within your own communities.</p> <p>Throughout the project you will hone your writing skills and discover what drives you. Together we will uncover your unique voice with the goal of empowering you to take part in a performance at Cheltenham Literature Festival joined by like-minded thinkers from nearby schools.</p> <p>Take the first step towards being the change you want to see.</p>	<p>9</p>	<p>Wednesday</p>
<p>Matson Library Club</p>	<p>Students have a weekly visit to our local library in Matson. They are able to read, use the computers, play games, colouring and talk with their friends in a friendly, welcoming environment. We can help students join the public library so they can borrow up to 20 books at a time! We travel in style, in the school minibus!</p>	<p>7</p>	<p>Monday</p>

<p>Community Action</p>	<p>The GA community action club offers students the opportunity to give back to our local community through the residents of the Saintbridge Care Home (many of which have dementia). Students plan and prepare activities e.g., bingo, singing, dance, colouring, card making e.c.t for the residents and facilitate those activities. The purpose is to help give the residents stimulation, keep them active and allow them to feel connected to other people outside of the care home.</p>	<p>9</p>	<p>Wednesday</p>
<p>Health and wellbeing Society</p>	<p>A group of specific girls who have expressed an interest in participating in educational discussions and activities around health and wellbeing subjects.</p>	<p>8</p>	<p>Wednesday</p>
<p>Unity Mountain Club</p>	<p>GA Unity Mountain is a safe, welcoming space for LGBTQ+ students to connect, share, and be themselves. This club is all about sharing thoughts and experiences and building a supportive community.</p> <p>Members have the opportunity to discuss both past and current topics, explore important issues, and have their voices heard in a friendly and respectful environment. Beyond discussion, the club also offers fun activities, games, creative projects, and social events that bring everyone together.</p> <p>Whether you want to meet new friends, learn from others, or just relax in a space where you can be accepted as you are, GA Unity Mountain is the perfect place to belong, contribute, and celebrate diversity.</p>	<p>All Years</p>	<p>Wednesday</p>
<p>Criminology</p>	<p>The GA Criminology Club offers students an exciting introduction to the world of crime, justice, and law enforcement. In our first unit, <i>Changing Awareness of Crime</i>, students explore different types of crime, examine the factors that shape public perceptions, and investigate why some crimes go unreported.</p> <p>The club goes beyond the classroom with real-world experiences, including a planned visit to Shrewsbury Prison and insightful talks from both retired and active police officers. Members will have the opportunity to engage in discussions, analyse case studies, and develop critical thinking skills as they explore the complex social, psychological, and legal aspects of crime.</p> <p>Whether you're interested in a career in law enforcement, forensics, or simply curious about the criminal justice system, GA Criminology Club is a chance to learn, discuss, and experience criminology in an engaging, hands-on way.</p>	<p>9</p>	<p>Wednesday</p>

<p>Bible Club</p>	<p>RS Enrichment where we will learn about the Bible, Jesus and some Science. Exploring: Who is Jesus ? What do Historical sources tell us about Jesus ? What is a Creator? Where does the Bible come from ? Are Science and Religion Enemies ? Apologetics study - is there any evidence for a creator ? Wisdom literature - study the book Proverbs for life wisdom in school and outside!</p>	<p>All Years</p>	<p>Thursday</p>
<p>Child Development and Health and Social Club</p>	<p>This is only open to Health and Social care and Child Development students to complete/alter their coursework, which they have completed in lessons. Students will be called out each week before P6 to complete coursework each week. Once DWN/EBN are happy, you can join another enrichment option. If your name is called, it is compulsory. This provides you a great opportunity to get 1-on-1 support with a subject expert to ensure your coursework is completed to the best possible standard.</p>	<p>10</p>	<p>Thursday</p>
<p>Engineering Club</p>	<p>This session is only open to Engineering students who need to complete or improve their coursework, which has already been started in lessons. Students will be called out each week before P6 to continue their coursework. Once the Engineering staff team is satisfied with the standard of your work, you may join another enrichment option. If your name is called, attendance is compulsory. This provides a valuable opportunity to receive 1-on-1 support from a subject specialist, helping you ensure your coursework is completed to the highest possible standard.</p>	<p>10</p>	<p>Thursday Week A</p>
<p>Sport Science Club</p>	<p>This is only open to Sports Science students to complete/alter their coursework, which they have completed in lessons. Students will be called out each week before P6 to complete coursework each week. Once WTR/EBN are happy, you can join another enrichment option. If your name is called, it is compulsory. This provides you a great opportunity to get 1-on-1 support with a subject expert to ensure your coursework is completed to the best possible standard.</p>	<p>10</p>	<p>Thursday</p>
<p>Maths Circle</p>	<p>This will be a welcoming space where students will dive deep into intriguing puzzles and uncover the hidden patterns that make maths so powerful. You can expect a collaborative session of curious exploration and meaningful discussion as you tackle big challenges together. It is a place to take your time with beautiful problems, allowing you to build your confidence and share your unique way of thinking.</p>	<p>7</p>	<p>Monday</p>

<p style="text-align: center;">Arts and Culture</p>	<p>Art and culture go beyond the usual test-focused curriculum by giving students hands-on, creative experiences that support their overall development. Often described as co-curricular or extra-curricular, these activities help students grow emotionally and socially while building confidence, creativity, and cultural awareness. Through music, drama, dance, and visual arts, students develop important skills that support their wellbeing and future success. Art in this context includes performing arts such as theatre, choir, and instrumental music; visual arts like painting, sculpture, photography, and digital art; creative writing activities including poetry and storytelling; and technical work such as set, prop, and costume design for productions. Together, these experiences allow students to express themselves, explore culture, and develop valuable life skills.</p>		
	<p>Character Values Developed Through Arts and Culture: Creativity, Self-expression, Collaboration, Appreciation, Cultural Awareness, Critical Thinking, Innovation, Discipline, Empathy, Communication, Curiosity, Confidence.</p>		
<p style="text-align: center;">ArtsAward Club</p>	<p>Do you have a hobby which involves Music, Dance, Theatre or Arts in general? Would you like to gain accreditation for skills you have or have developed?</p> <p>Why not join us to gain certification for your passion by completing the Bronze ArtsAward in Unit 3? By showing yourself as a participant, leader and reviewer you can do just that! In our weekly sessions we will work on and complete the portfolios required for Arts Award assessment, and you'll have a Bronze Award by 18th July!</p>	<p>Years 7 to 9</p>	<p>Wednesday</p>
<p style="text-align: center;">Live Theatre Club</p>	<p>Experience the magic of the stage! Each week, we'll watch exciting live theatre productions online and explore how professional actors, directors, and designers bring stories to life on stage. Afterward, we'll share our thoughts and write creative reviews to build the skills needed for GCSE Drama — all while enjoying great performances and lively discussions together!</p>	<p>All Years</p>	<p>Wednesday</p>
<p style="text-align: center;">Culture Club</p>	<p>Culture Club provides a safe space for our students to come together to celebrate our diversity in terms of languages and culture. It offers students the opportunity to meet others who speak the same language, and to share information about their language and culture with other members of the club. It is open to any students from any culture who would like to learn more about other languages and cultures.</p> <p>Students are invited to prepare and share presentations about your culture which could include for example, key phrases, information about traditional food, festivals, clothing, beautiful or interesting places to visit, music, games or any other aspects of culture that you would like to share.</p>	<p>All Years</p>	<p>Thursday</p>

	In Unit 1, we have looked at maps to see where we're all from, listened to favourite songs, and talked about festivals, clothing, food, urban legends, history and language, including teaching each other numbers in different languages and playing bingo.		
GA Choir Club	Do you like singing, making music, and performing in front of a crowd? GA Choir is the place to be! We welcome anyone who loves to sing, or wants to learn how to. In Choir Club, you'll develop vocal skills, build confidence, and make music with others in a fun, supportive environment. Students have exciting opportunities to perform at school awards evenings and take part in special events, including singing at the cathedral, where our voices come together in an amazing setting. Whether you're an experienced singer or just starting out, come join us and be part of something powerful, creative, and unforgettable!	All Years	Monday
Song Writing Club	Learn how to create and compose your own smash hits. Songwriting Club is the place where your musical ideas come to life. You'll learn how to build a chord progression, craft meaningful lyrics, and design catchy melodies that stick in people's heads. We'll explore how to layer all these elements together to create polished, original songs worthy of the GA Billboard Charts. Throughout the club, you'll experiment with different genres, collaborate with other students, and discover what makes a great song truly stand out. Whether you're a complete beginner or already writing your own music, you'll get the support, techniques, and inspiration you need to express yourself and develop your unique sound. If you've ever dreamed of writing your own hit, or just love making music, Songwriting Club is the perfect place to start.	All Years	Wednesday
Music Tech Club	Learn how to become the next great music producer. Music Tech Club is your chance to explore the world of digital music creation and discover the tricks professionals use to make chart-topping tracks. You'll learn how to use music production software, create your own beats, layer sounds and samples, and experiment with synthesisers, effects, and mixing tools. We'll break down how songs are built, from rhythm and bass to melody and texture and show you how to shape them into your own original productions. Throughout the club, you'll have the opportunity to collaborate with others, remix existing tracks, and develop your own signature sound. Whether you're into pop, hip-hop, electronic, or cinematic music, you'll learn the skills and techniques to bring your ideas to life.	9+10	Thursday

	<p>If you're curious about how music is made behind the scenes or dream of producing your own tracks, Music Tech Club is the perfect place to start.</p>		
<p>Dance Club (Street and Contemporary)</p>	<p>Dance club is for existing and new dancers who want to learn street and contemporary style dancing.</p> <p>Dance club is for existing and new dancers who want to learn street and contemporary style dancing.</p> <p>What to Expect:</p> <p>Warm up - Cardio and flexibility training to get your mind and body "Performance Ready."</p> <p>Skill Drills: Breaking down moves into manageable steps, perfecting your technique through street and contemporary style dancing.</p> <p>Choreography: Learning Street and contemporary routines set to the latest music.</p> <p>Creative Freedom: Opportunities to work in groups to create your own sequences.</p> <p>Performance Pathways: Work towards showcasing your talent in school events, and a Christmas showcase!</p>	All Years	Tuesday
<p>Geography Scholars</p>	<p>Geography Scholars is for students who find Geography fascinating and want to explore topics that go beyond the classroom. The Enrichment gives you the chance to watch documentaries, carry out your own research, and create a personalised scholar's project in an area that interests you. You'll develop your ideas through discussions with fellow students and guidance from a Geography teacher.</p> <p>In Unit One, we saw some fantastic Bronze Scholar Projects on topics such as dams, beaches, the northern lights, and much more. We've also enjoyed watching breathtaking documentaries like <i>Our Planet</i>, taking notes, and working out the food webs and systems shown on screen.</p> <p>A highlight of the term was a visit from a real Geography professor, who shared insights into his research and what life is like as a geographer.</p> <p>If you're curious, enthusiastic, and eager to explore the world in new ways, Geography Scholars is the place for you.</p>	All Years	Monday
<p>Pokémon Society</p>	<p>The Pokémon Society is a student-led club supervised by a member of staff. It's the perfect place for trainers to meet, play, and enjoy everything Pokémon. Bring your Pokémon cards to battle other members or take part in friendly matches. Trading is also encouraged, and all trades will be checked to make sure they are fair.</p> <p>Students are welcome to bring any Pokémon-related items, and may also play Pokémon games during the society.</p>	All Years	Monday

<p>Star Wars Society</p>	<p>A long time ago in a galaxy far, far away... Star Wars Society began! This is the perfect club and place for fans of all ages, whether you're a Jedi, a Sith, a smuggler, or somewhere in between.</p> <p>Each week, students come together to dive into all things Star Wars: from debating the best light saber duels and ranking the movies, to exploring lore, analysing characters, and discovering hidden details from across the saga. You might take part in designing your own droids or ships, watch-along sessions, or even create your own theories and stories set in the Star Wars universe.</p> <p>Whether you're here for the films, the shows, the books, the games, or just the memes, the Star Wars club is an open, friendly space where every fan belongs.</p>	<p>All Years</p>	<p>Monday</p>
<p>Homework Club</p>	<p>The Homework Club is a supportive space where students can complete homework and coursework and stay organized after school. Staff and peers are available to help with questions, explanations, and guidance, making it easier to understand classwork and stay on track. Whether you want a quiet place to focus, need help with a tricky subject, or simply want to finish your work before heading home, the Homework Club provides the structure and support you need to succeed.</p>	<p>7 8 9 10</p>	<p>Monday Tuesday Wednesday Thursday</p>
<p>Maths Sparx Support Society</p>	<p>Sparx Support is exactly what it sounds like, a dedicated space to help students with their Sparx. This club is perfect for budding leaders who want to make a difference by supporting and guiding Year 7 students as they build their maths confidence.</p> <p>As a Sparx Support leader, you'll help younger pupils understand tricky concepts, keep on top of their homework, and develop positive study habits. You'll also have the chance to strengthen your own maths skills, work as part of a supportive team, and develop communication and mentoring abilities that will serve you well both in and out of school.</p> <p>If you're patient, enthusiastic, and enjoy helping others succeed, Maths Sparx Support Club is the ideal place to shine.</p>	<p>9 10</p>	<p>Wednesday Thursday</p>
<p>Literacy Games Club</p>	<p>Come to the Library to have fun and improve your vocabulary at the same time!! Playing games that help you with your reading, comprehension and a lot more! Scrabble,' 'Think Words' 'Wordsmithery' are just some of the games we play.</p>	<p>All Years</p>	<p>Tuesday</p>
<p>Trivial/ Games Club</p>	<p>If you love trivia, general knowledge, card games and board games, then this is the club for you! Every Tuesday after school, Mr Thomas is going to bring in games and cards for us to learn, play, and socialise. This club will be a calm, relaxing but mildly competitive space for any students who want to</p>	<p>All Years</p>	<p>Tuesday</p>

	come and play some games after school. You don't need to bring anything or do anything but you are also welcome to bring in your own games too!		
Wargaming Society	<p>Do you enjoy strategy, storytelling, and epic battles? War Gaming Club is the perfect place for anyone who loves tabletop wargames, or wants to learn how to play them. The club caters for players of all experience levels and welcomes a wide range of games, including Warhammer, Warhammer 40,000, Flames of War, and many more.</p> <p>You'll have the opportunity to plan tactics, command armies, and take part in friendly battles against fellow club members. We provide a small selection of terrain and scenery to set the stage for your games, but pupils are encouraged to bring their own armies to create truly immersive and personalised battles.</p> <p>Whether you're painting miniatures, building armies, or mastering new rules, War Gaming Club offers a fun, social, and competitive space to develop your skills. Join us and bring your strategies to life on the tabletop.</p>	All Years	Tuesday
Cooking Club	<p>The GA Cooking Club is a highly rewarding club where students develop essential culinary skills through practical, hands-on sessions. The foods prepared focus on savoury dishes and sweet treats ranging from homemade pizza, mac n cheese and nachos with tomato salsa to Eton Mess, fudge, cookies and fruit crumbles.</p> <p>GA cookery club members master fundamental kitchen safety and hygiene practices, develop knife skills (like the 'bridge' and 'claw' techniques), improve time management and measuring skills by accurately following recipes. Overall, the club is a fun and exciting cheffing experience giving you the chance to be a chef and gain the confidence and expertise of turning a recipe into a truly tasty treat!</p>	8	Tuesday
Crafty Loop Club	The Crafty Loop Club is a fun and welcoming space for anyone who loves arts and crafts! From crochet and knitting to bracelet-making, we bring together beginners and experienced crafters to share ideas and create beautiful handmade pieces. Join Mrs Exton to learn new skills, relax, and connect with others who love to craft.	Y7	Monday
Anime/ Manga Club	If you are an Anime/ Manga fan then this is for you! Whether drawing your favourite character, reading your favourite story or talking about your favourite cartoon/ movie. Students are able to share their passion for this very popular medium.	All Years	Wednesday

Stitch and Sip Society	Bring your embroidery project (or start one here) and grab a cup of tea. It's a low-pressure space to hang out and work on something with your hands. Open to everyone, whether you're a pro or have no idea what you're doing.	9	Wednesday
Touch Typing Club	This enrichment is a compulsory enrichment for any Y10 laptop users. During this enrichment you will learn the skills you need to touch type accurately enough to have success using a laptop during your GCSE courses and exams. This enrichment will be computer based with guided online lessons and tasks supporting you to build your confidence and knowledge in touch typing.	10	Thursday
Outdoor and Adventure	Outdoor and adventure activities go beyond the classroom by giving students hands-on, real-world experiences that support their physical, social, and emotional development. These activities help build resilience, teamwork, confidence, and problem-solving skills while encouraging a sense of responsibility and independence. Through experiences such as hiking, camping, team challenges, and outdoor exploration, students learn to take managed risks, support one another, and step outside their comfort zones. Adventure learning promotes wellbeing, strengthens communication skills, and fosters a deeper connection with nature, helping students develop important life skills that extend far beyond school.		
	Character Values Developed Through Outdoor Adventure: Resilience, Teamwork, Leadership, Respect, Courage, Responsibility, Self-discipline, Confidence, Determination, Environmental Awareness, Problem-solving, Empathy.		
Eco Club	Our ECO Club is dedicated to making our school a site we can all be proud of. We believe that a better planet starts right here in our own school community. By raising awareness about recycling, encouraging smart reuse, and leading by example in tidying our spaces, we are transforming our school environment. Each year, we tackle three major projects designed to leave a lasting, positive footprint on our school and if possible in our local community.	All Years	
DofE	The Duke of Edinburgh's Award is a nationally recognised programme that challenges you to develop new skills, improve your fitness, support your community, and complete an expedition. Through DofE, you will build confidence, resilience, independence, and teamwork. It's an opportunity to step outside your comfort zone, try new activities, and achieve something you can be proud of. Your dedication and commitment will be recognised with an award that is highly valued by colleges, universities, and employers.	All Years	

Gardening Club	If you're looking for a way to swap the glare of a screen for some fresh air and sunshine, the Gardening Club is your perfect escape. Whether you are a seasoned grower or have never even touched a trowel, we invite you to help us transform our school grounds into a thriving, green sanctuary. Beyond just planting seeds, this is a space where you can de-stress after a long day of classes, learn the secrets of sustainable food production, and see firsthand the impact of biodiversity. There is a unique sense of pride in eating a harvest you grew yourself or seeing a flower you planted finally bloom, and we provide all the tools, seeds, and guidance you need to get started. Join us on Tuesdays to get digging, hang out with friends, and help us grow something truly extraordinary for our school community.	All Years	Tuesday
