

Gloucester Academy uniform and equipment policy (September 2026)

A smart appearance is an important aspect of modern life and it does help a person to display an air of self confidence and a sense of respect. Gloucester Academy aims to prepare students for a successful life and so an emphasis on taking pride in one's own appearance is an essential part of the educational process. Gloucester Academy has a strict uniform policy which helps to enhance the purposeful and successful climate of the Academy. Our uniform policy demands professionalism and ensures safety which also ensures that students are fully focused on learning as opposed to other distractions.

Gloucester Academy uniform provides students with many positive advantages because uniform:

- Diminishes the social exclusion of students based on what they are wearing
- Places stronger focus on academic performance
- Reduces tension as students do not have to compete with their peers for the latest trends in clothes.
- Creates an atmosphere of teamwork.
- Encourages pride in personal appearance and of Gloucester.
- Promotes safety, particularly through making it easier to identify strangers.
- Increases self-esteem and reduces peer pressure.
- Most cost effective to parents in the long run.
- Makes them ambassadors for Gloucester Academy in the local community.

Students are expected to wear **full Gloucester Academy uniform on the way to and from the Academy**. Jewellery and other forbidden items will be confiscated if seen in the day and only returned to a parent or carer.

Essential items of uniform, e.g. Gloucester Academy blazer, jumper, tie, and the PE kit top are only available from Gloucester Academy uniform suppliers www.monkhouse.com

Non participant Policy 2026/27

Taking part in physical activity is an essential part of school and necessary in order to stay healthy. Regular exercise in children improves fitness, increases concentration, builds stronger heart, bones and muscles as well as improving self-esteem and lowering stress levels.

We are aware, however, that there are rare occasions when a student is not able to take part in their sport lessons due to illness or injury.

If your son or daughter has to be excused from taking part in the competitive element of their sport lesson, **the school must be supplied with a medical letter with information about the ailment.** Students are still expected to participate in the lesson, taking on a variety of other roles which may include: scorer, umpire, analyst or coach; so they continue to develop excellence in sport. All of these roles **do not** involve being physically active.

To keep their school uniform clean and dry for the rest of their lessons, every student excused from sport will be required to change into their PE kit and join their lesson.

If a student is required to refrain from the competitive element of their sport lesson for a period longer than a week, the school will require an official doctor's letter evidencing the guidance to refrain from sport and physical activity.
