Dear Parents/Carers

Year 11 Assessments 19th October 2020

I am writing to let you know that your child will be having their first round of assessments during the week beginning the 12th October 2020. All assessments will be completed in lesson time in the classroom with their usual classroom teacher. These assessments will be based around everything the students have been learning since September and will be a great opportunity for students to celebrate and share how much they have learnt over the last few months. The grades given in the assessments will help us identify what support is needed by our students and will allow us to assign specific mentors where needed. If your child has been identified for this level of support you will be contacted once the results have been collected. Any absences the child will need to sit the assessment the following day.

Year 11's should be preparing for these exams by completing structured revision that will be set by each of their classroom teachers. These revision tasks will help your child prepare to achieve the very best that they can. If you are ever concerned about the level of work your child is completing please do not hesitate to get in touch and we can advise you of strategies that will help you and them prepare.
